We are **electronic prescription ready**

Getting an electronic prescription - there are **2 ways**

1

Direct to you

During your consultation we will send you an SMS or an email

2

Direct to your script list

If your pharmacy has already set up a list of your scripts, the prescription will be added to it.

Getting your medicines - there are **2 ways**

1

Collecting it

When you go into a pharmacy, show them the email or SMS so it can be scanned

or show your ID so they can access your list

Remember: you can forward the SMS or email to a family member or carer so they can get your medicine

2

Home delivery

If your pharmacy offers home delivery forward the SMS or email to them so they can scan it

or call them to validate your ID so they can access your list
